Dubai Escapade

Dubai is a stirring alchemy of profound traditions and ambitious futuristic vision wrapped into starkly evocative desert splendor. This is a superlative-craving society that has birthed audaciously high buildings and palm-shaped islands. Dubai is a top retail haunt that hosts not one but two huge annual shopping festivals. Shopping is a leisure activity here and malls are much more than just mere collections of stores. After dark, Dubai sometimes seems like a city filled with lotus eaters, forever on the lookout for a good time. Its shape-shifting party spectrum caters to just about every taste, budget, and age group. Although rooted in Islamic tradition, this is an open society where it's easy for newcomers and visitors to connect with myriad experiences, be it eating like a Bedouin, dancing on the beach, shopping for local art, or riding a camel in the desert. Dubai is a fertile environment conducive to breaking down cultural barriers and preconceptions.
